To Whom It May Concern:

Re: Biodegradability Compliance Certificate for Products Made from Cereplast CP-INJ-1001EZC and CP-INJ-06 Resins

This is to certify that all products made from Cereplast Compostables® resins CP-INJ-1001EZC and CP-INJ-06 with thickness of less than 2 mm are biodegradable and compostable in the United States and Europe, meeting BPI (Biodegradable Products Institute) standards for compostability (ASTM 6400- D99 and ASTM 6868), and European Bioplastics standards (EN 13432).

Sincerely,

Shriram Bagrodia
Director of Regulatory Affairs
